School Uniform Policy Change

This letter informs you of a change to our School Uniform Policy that will take effect on Monday, December 2, 2024. This change is being introduced to address repeated school-wide dress code violations and safety concerns regarding footwear for gym activities.

Our School Uniform Policy for footwear previously included the following:

- Crocs must be worn with the heel strap.

Scholars have not been wearing the heel strap on Croc Clogs, which is a dress code violation. Some scholars have removed the heel strap from the shoes entirely, which is a safety concern during physical education classes.

Beginning Monday, December 2nd, 2024, scholars will no longer be allowed to wear Crocs Clogs as footwear to reduce future uniform violations and ensure they are wearing appropriate footwear for physical activity.

Example of Crocs Clogs that will no longer be allowed:
